TO:

STRIPE

I am writing to express my interest in the Software Engineer Intern - Summer 2025 in your company, I know that am not a US Citizen but am passionate about learning and growing and i want to be a part of the great company With a fervent passion for programming and a strong foundation in Python/dart, I am eager to contribute to your team's projects while further developing my skills under your mentorship.

Currently pursuing a degree in Mathematics/Statistics , i have dedicated myself to mastering various programming languages and technologies, with a particular focus on Python, Django. I am committed to innovation and its dedication to leveraging technology to solve real-world problems, willing to learn and can adapt to any form of development . I am also drawn to the opportunity to collaborate with talented professionals and people with Like minds who share my enthusiasm for pushing boundaries and creating impactful solutions.

Here are some highlights of my qualifications:

- Proficiency in Python/Dart, including experience with Django/Flutter frameworks and AWS. Experience working
- with relational databases such as PostgreSQL and non-relational databases like MongoDB. Familiarity with
- version control systems such as Git and collaborative development workflows. Hands-on experience developing
- RESTful APIs and integrating them with front-end applications. Excellent communication and teamwork
- abilities, demonstrated through group projects and extracurricular activities.

I am particularly impressed by commitment to nurturing talent and providing growth opportunities for interns. I am eager to contribute my skills and learn from experienced professionals.

Thank you for considering my application. I am excited about the possibility of joining your team and contributing to your company's success. I am available for an interview at your earliest convenience and can be reached at 08162221081 or via email at chizurummarvelous14@gmail.com.

sincerely,

Marvelous Ajuzie
